

ALL TOGETHER NOW!

Material to Prepare & Song List

Show Description:

All Together Now! is the first-ever MTI global fundraiser. With ATN!, the goal is to give everyone an opportunity to help kick-start their season after the devastation we all experienced in 2020 due to Covid-19 and to celebrate the return of live theatre. We hope that ATN! will give each theatre the tools to fundraise for their next season and ultimately welcome their community back to the theatre. ATN! is about bringing people back to theatre, whether as audience, cast member, crew, or musician.

Material To Prepare:

All singers should prepare 2 songs from musical theater for auditions. NO Pop songs. Please provide your own accompaniment tracks. A CD player and headphone jack will be provided. Otherwise, please bring your own speaker. Bluetooth speakers are available as well.

You may choose to sing one or more of the songs from *All Together Now!*
